

Emerging Trends in Drug Development and Companion Diagnostics

Agilent CDx Symposium | April 4, 2024

7:30 - 8:15	Networking and Breakfast	11:30 - 12:00	Patient Story Alex Castillo Local Chapter of American Cancer Society Stephan Rondepierre ACS Mission Ambassador
8:15 - 8:30	Welcome Remarks Karina Kulangara, PhD AVP of R&D, CDx, Agilent Paul Beresford, PhD VP/GM of CDx, Agilent	12:00 - 1:30	Lunch, Networking and Poster Session R&D/OCMO
8:30 - 9:30	Evolving Trends and New Frontiers in the IHC CDx Ecosystem Gary Gustavsen Partner, Health Advances Blandine Merino AVP CDx Strategy, Agilent	1:30 - 1:45	Digital Pathology Overview Douglas Clark, MD Chief Pathologist, CDx, Agilent
9:30 - 9:45	Break	1:45 - 2:05	Digital Pathology Research at Agilent Anya Tsalenko, PhD R&D Research Director, Agilent
9:45 - 10:45	IHC Assay Needs of Antibody Drug Conjugates, Multivalent Antibodies, and Cell Therapies Moderator: Carl Barrett, PhD Professor, University of North Carolina Panelists: Scott Patterson, PhD VP, Biomarker Sciences & Diagnostics, Gilead Sciences, Inc. Scott Pruitt, MD, PhD AVP/Head of Translational Oncology, Merck Pascal Bamford SVP R&D and Lab Operations, Akoya Biosciences Tom Richardson, MD, PhD Pathologist, Companion Diagnostics, Merck Research Laboratories Ghislain Noumsi, MD AVP Medical Affairs, Agilent	2:05 - 2:25	Digital Pathology and Companion Diagnostics Pascal Bamford SVP R&D and Laboratory Operations, Akoya Biosciences
10:45 - 11:30	The Case for Using Multiplex IHC: Opportunities and Challenges Moderator: Mark Verardo, PhD Senior Scientific Program Manager, Agilent Panelists: Christopher Conn, PhD Director and Diagnostics Strategy Lead, Amgen Scott Patterson, PhD VP, Biomarker Sciences & Diagnostics, Gilead Sciences, Inc. Grace Lee AVP Global Regulatory Affairs, CDx, Agilent Alberto Gutierrez, PhD Partner, NDA Partners LLC Sam Hong, PharmD, MS Director of Global Health Economics & Outcomes Research, Agilent	2:25 - 2:40	Break
		2:40 - 3:40	Advances and Challenges in Digital Pathology in Companion Diagnostics Moderator: Douglas Clark, MD Chief Pathologist, CDx, Agilent Panelists: Simone T. Sredni, MD, PhD Director Medical Diagnostics – HER2, US Medical Affairs, Oncology, AstraZeneca Ken Nesmith, MBA CBO, Oncology Division, Lunit Avi Veidman CEO, Nucleai Anya Tsalenko, PhD R&D Research Director, Agilent
		3:40 - 4:00	Wrap Up: Highlights of the Day Karina Kulangara, PhD AVP of R&D, CDx, Agilent Paul Beresford, PhD VP/GM of CDx, Agilent
