

Kari Fosser

**Vice President, Agilent
Enterprise Project Management Office and
Chief of Staff to the CEO**

Kari Fosser has been with Agilent since 2016 in various roles, including ones in Quality Assurance, Strategic Program Management, and Project Management Office leadership in Agilent's Chemistries and Supplies Division and for Agilent CrossLab Group.

Prior to joining Agilent, Fosser was a portfolio and project manager for DuPont, where she began her career as a research chemist in Central Research and Development in 2004.

Fosser has a doctorate in Analytical Chemistry from the University of Illinois-Urbana Champaign and is a certified Six Sigma Black Belt and Project Management Professional.
