

1. AGREEMENT

- 1.1. Parties. The terms and conditions set forth below, together with those appearing in this purchase order and any attachments hereto, including a Statement of Work (collectively, "Order"), constitute an agreement between AGILENT TECHNOLOGIES, INC., or any other AGILENT entity identified on the face of this purchase order, including any and all applicable subsidiaries ("AGILENT"), and the party identified in the "Issued To" box on the face of this purchase order ("Seller").
- 1.2. Precedence. In the event of a conflict between this Order and any other written agreement between the parties and specifically covering the same goods or services, the terms and conditions of such agreement shall prevail to the extent of such conflict. A conflict between the terms set forth herein and those set forth in an SOW will be resolved in favor of the SOW. Notwithstanding the above, this Order shall prevail over any differing or additional terms and conditions proposed by Seller, including, without limitation, those contained in any invoice.
- 1.3. No Modification. No modification of this Order shall be binding unless in writing and signed by an authorized representative of each party.

2. PRICES AND PAYMENT

- 2.1. Price. Seller shall sell to AGILENT the goods ("Goods") or services ("Services") shown in this Order at the prices specified. Any forecasts provided by AGILENT were provided as an accommodation to Seller, and shall not constitute a commitment of any type by AGILENT. Except as otherwise provided in this Order, prices are exclusive of applicable freight charges and duties.
- 2.2. Taxes. AGILENT shall be responsible for any applicable sales taxes, provided Seller has submitted appropriate information or documentation to allow AGILENT to recover such taxes as appropriate. AGILENT shall include such taxes with the payment or provide Seller with the appropriate information or documentation to support exemption from such taxes. AGILENT shall have no other or further liability to Seller with respect to any tax, duty, levy or like imposition for which Seller may be liable as a result of the supply of the Goods or Services.
- 2.3. E-Commerce System. Seller shall submit to AGILENT correct, itemized invoices of all charges for the Good or Services. Seller shall establish an electronic Seller account through such third party internet-based platform as Agilent may require from time to time, through which Seller shall submit invoices to and receive purchase orders from Agilent (the "E-Commerce System"). The electronic Seller account will be established within 30 days of the date of this Order. If Agilent has established an E-Commerce System applicable to this Agreement, the use of the E-Commerce System is a material obligation of Seller, and Agilent will not pay any invoice unless Seller has submitted such invoice through the E-Commerce System.
- 2.4. Payment. Unless indicated otherwise on the face of this purchase order, payment shall be due forty-five (45) days after the latter of AGILENT's receipt of either an appropriate invoice from Seller or the relevant Goods or Services. AGILENT may deduct from such payment any monies owed by Seller to AGILENT.
- 2.5. Not Acceptance. Payment by AGILENT shall neither constitute acceptance of the Goods or Services, nor impair AGILENT's right to inspect such Goods or Services or invoke any available remedies.

3. SHIPMENT AND DELIVERY

- 3.1. Shipment Terms. Seller shall ship Goods in the method identified by AGILENT to permit Seller to meet the delivery date(s) identified by AGILENT on the face of this purchase order ("Delivery Date"). Except as specified below, shipments of Goods shall be FCA (as that term is defined in the Incoterms 2010 handbook) Seller's place of shipment/export, and title and risk of loss or damage shall pass from Seller to AGILENT upon Seller's delivery of the Goods to the

If AGILENT agrees to pay for applicable freight charges and duties as part of the purchase price, shipment shall be DDP, and title and risk of loss or damage shall pass from Seller to AGILENT upon Seller's delivery of the Goods to the "Ship To" address identified by AGILENT on the face of this purchase order.

Seller shall handle, pack and package the Goods so as to protect the Goods from loss or damage, in conformance with good commercial practice, AGILENT specifications, government regulations (including those applicable to chemicals and hazardous materials) and other applicable requirements. Without limiting the generality of the foregoing sentence, Seller shall use packaging materials, including pallets, that are free of pests and comply with all applicable regulations regarding Solid Wood Packing Materials; Seller shall use recycled or reusable packaging materials and minimize the number of different types of packaging materials whenever possible; and Seller shall comply with all applicable requirements regarding packaging recycling, re-use and return, and furnish to AGILENT, upon request, information or documentation of Seller's compliance. Seller shall be responsible for any loss or damage due to its failure to handle, pack and package the Goods in a proper and lawful manner; AGILENT shall not be required to assert any claims for such loss or damage against the carrier involved. In each shipment, Seller shall include a packing list that contains the following: (a) this Order number; (b) the AGILENT part number; (c) the quantity shipped; and (d) the requested delivery date. The information on the packing list must agree with the information on Seller's invoice.

Seller shall give AGILENT notice of any prospective failure to ship Goods or provide Services in time to meet the Delivery Date. If only a portion of Goods is available for shipment to meet the Delivery Date, Seller shall ship the available Goods unless directed by AGILENT to reschedule shipment. If only a portion of the Services can be performed on the Delivery Date, Seller shall perform such Services unless directed by AGILENT to reschedule performance. Partial deliveries shall be deemed late shipments and be considered complete only when all Goods and Services have been shipped. Notwithstanding the above, upon Seller's notice of any prospective failure to ship Goods or provide Services in time to meet the Delivery Date, AGILENT reserves the right to terminate the Order and any subsequent Orders without any charge or liability.
- 3.5. Late Shipment. If, due to Seller's failure to ship Goods in a timely manner, the identified method of transportation would not permit Seller to meet the Delivery Date, Seller shall ship the Goods by air transportation or other means acceptable to AGILENT, and shall pay for any resulting increase in the cost of freight.
- 3.6. Early Shipment. If AGILENT receives any shipment more than three working days prior to the Delivery Date, AGILENT may either return the Goods or delay processing the corresponding invoice until the Delivery Date.
- 3.7. Non-Complying Goods. Seller shall be responsible for all risk and expenses, including transportation charges, associated with (a) the return of all Non-Complying Goods (as defined in section 6.1 below), over shipments, and early shipments returned by AGILENT to Seller; and (b) the shipment to AGILENT by Seller of all repaired, replacement and reworked Goods.

- 4.2. Actual Costs. If AGILENT changes or cancels any portion of this Order after the time periods set forth above, AGILENT shall be responsible for any resulting direct costs incurred by Seller that cannot be avoided by commercially reasonable mitigation efforts.
- 4.3. Design or Specification Changes. AGILENT may, without any charge or liability, change, effective upon notice to Seller, AGILENT's designs or specifications at any time prior to shipment of corresponding Goods or receipt of corresponding Services. If any such change directly affects the prices or delivery schedules of Goods or Services, an equitable adjustment may be made, provided that Seller makes a written claim for an adjustment within 30 days of AGILENT's notice and prior to shipment of the Goods or provision of the Services, and provided that such equitable adjustment is documented in writing signed by authorized representatives of both parties. If, after reasonable and good-faith efforts, the parties are unable to agree upon the amount of the adjustment, AGILENT may terminate, without any charge or liability, this Order as to all Goods and Services affected.
